

GenAI: Innovation and Disruption

GenAI Trivia Questions

Question 1. In 2005, Steve Jobs gave the **most-watched commencement speech** at Stanford. One quote is from the speech and one quote is generated by an AI-powered Steve Jobs clone. **Can you tell us which is real and which is fake?**

OPTION A

"Life is a journey, and you are the navigator. You have the power to choose your own path. Don't be afraid to take risks and explore new possibilities. Find something that brings you joy and make it your life's work. Live with passion and purpose, and you will find success."

OPTION B

"Remembering that you are going to die is the best way I know to avoid the trap of thinking you have something to lose. Your time is limited, so don't waste it living someone else's life. Have the courage to follow your heart and intuition. They somehow already know what you truly want to become."

Question 2. One movie scene is real and one is generated by AI. **Can you tell us which is real and which is fake?**

OPTION A

Opening Scene:

FADE IN:

EXT. NEW YORK CITY - DAY

We see a group of five cats walking down a busy street in New York City. They are dressed in superhero costumes and each has a unique power: there's Fluffy, who can turn invisible; Whiskers, who can teleport; Scratch, who has super strength; Mittens, who can fly; and Boots, who has the power of telekinesis.

OPTION B

Opening Scene:

FADE IN:

EXT. THE CONTRESSA'S PALACE - NIGHT

We see a beautiful old house with a large garden, surrounded by high walls. The moon is shining bright in the sky. The camera moves closer and we see a silhouette of a cat sitting on top of the wall, looking down into the garden.

Question 3. One is the real quote from the Terminator. One is AI-generated. **Can you tell us which one is real and which one is fake?**

OPTION A

"Human tears are a weakness in the system."

OPTION B

"I know now why you cry, but it's something I can never do."

Question 4. These two children's books both have 5 stars on Amazon. One was AI-generated. One was created by Uncle Amon (a famous book author). **Can you tell us which one is which?**

OPTION A

OPTION B

Question 5. One photo is AI-generated. One photo is real. **Can you tell us which one is which?**

OPTION A

OPTION B
